MEMORANDUM FOR A/D DISTRIBUTION

SUBJECT: Mandatory Familiarization Training for Technician Personnel Regulation 430, Performance Management

1. The Ohio National Guard Technician Personnel Regulation 430, Performance Management, has been approved by The Adjutant General and will take effect 1 April 2011, superseding AGOH Supplement 1 to Technician Personnel Manual 430, Ohio National Guard Technician Performance Appraisal System, dated 15 January 1997.
2. The Human Resources Office will conduct mandatory familiarization training during February and March 2011 at locations around the state for all technicians and supervisors of technician personnel. Attached is a list of training dates and locations prepared by the Human Resource Office. We are currently in the process of confirming these dates and locations with the appropriate commanders.
3. The mandatory familiarization training consists of a briefing covering the changes found in the new regulation, the Performance Appraisal Application (PAA), and a navigation session through the PAA test database. The PAA is an online portal linked to MyBiz and MyWorkplace. Over the next year, the PAA will replace the current paper performance planning and rating process.
4. Commanders that have not yet confirmed a training date may contact SMSgt Renee Frey at (614) 336-7450/ DSN 346-7450, renee.frey@us.army.mil or Mrs. Dana Pharis at (614)-336-7054/DSN 346-7054, dana.pharis@us.army.mil.
