MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Premium Pay for Technicians

1. Please be advised of an error in TPR 630, Absence and Leave, Chapter 11, paragraph 11.1.c., Work Performed on Holidays or Sundays. As written, "A technician who works on a holiday or a Sunday falling outside their normal workdays may not earn compensatory time for all hours worked. Technicians performing work on holidays or Sundays will receive premium pay." This statement is incorrect.
2. Pending a revision to TPR 630, dated 27 August 2010, State HROs have been instructed to refer to TPR 990-2, Subchapter S1. Premium Pay, as the reference for technicians performing work on holidays or Sundays. Under this regulation, full-time technicians receive the following:
 - a. Compensatory time for work performed on Sundays; or
 - b. Premium pay for the first 8 hours of work performed on a holiday falling on one of his/her normal workdays, and compensatory time for any hours beyond the first 8; or
 - c. Compensatory time for any work performed on a holiday falling outside of his/her normal workdays.
3. Questions should be directed to Capt. Dan Roche, Technician Manager, at DSN 346-7269 or (614) 336-7269.
