Brad Pietzcker- Labor - R
Greg Sigelmier- Management

Anthony DiGiacomo- Management
Eric Malone- Labor
Jim Shirey- Labor
Kim Stangelo- Management

A quorum was present.

VISITOR: NONE

Item-

Purpose – *Review; Update; Discuss; IBB*

1. Previous Minutes- Review

Minutes from the July meeting were reviewed and accepted. **Completed**

2. OLD – Airframe and Powerplant School Selection- Review

Discussion: With the UH-72's coming to the facility, Tech's will have to be sent to an approved A&P licensing course.

Action: Jim Shirey & Gary Adkins will research with the FAA to find the minimum requirements to obtain the license. *Jim Shirey received some information from FAA still sorting information out. We may possibly have enough slots for all eligible technicians.* **Open- Shirey, Adkins**

3. OLD – Night Schedule- Review

Discussion: With the increased night flying program, there may be a need to have a night Crew.

Action: Currently we have 2 volunteers who would like to work nights. We will put them on Nights at this time, and give them a 6 month trial. We will review every quarterly LPC meeting. AFTP's will also be used to the maximum available to also help out. *Program going well, may have one volunteer drop in April.* **Open**

4. NEW – Update Standards for New Appraisal System- Discuss

Discussion: Standards need updated to reflect what work is currently being completed.

Action: Supervisors will work with labor to bring the standards current, LPC will review new standards. **Open- Sigelmier, Pietzcker**

5. NEW – Assign new mechanics with WG-12's- Discuss

Discuss: Older policies allowed for new mechanics to be assigned to work with the same WG-12 everyday.

Action: At this time due to the increased extended maintenance requirements for the upcoming GSAB deployment, all WG-10's are currently being assigned to the WG-12 who has his aircraft in long term maintenance. **Completed**

6. NEW- WG-12 Meetings- Discuss

Discuss: WG-12's and Supervisor used to have daily meeting.

Action: Meetings will return immediately. **Completed**

7. NEW- Snow Plowing- Discuss

Discuss: Currently the floor mechanics do most of the snow-plowing.

Action: Operations train 2 people to help snow-plow when needed. **Completed**

“CONTINUED”

NEXT MEETING: 12 APR 11, Third Qtr. Meeting, 14 JUN 11, Fourth Qtr Meeting

SUGGESTIONS FOR AGENDA DUE: 05 APR 11
