Program: Come and explore this hidden gem in Newark. On your visit, you will participate in hands on science activities, an educational science class, learn about local history and watch a glassblowing show. Cost includes admission to the facility, all programs and lunch. While the kids are participating in their activities, parents can enjoy a FREE Strong Families Workshop (please register who will be attending, using the above registration link). Parents are not required to stay, if they choose not to participate in the Strong Family Workshop.
