Virtual Meeting
November 16, 2020
12:00-1:00 pm

The November 16, 2020 meeting of the Ohio military Facilities commission was called to order at 12:14pm.

Roll call was taken by Bill Albright and the following members established a quorum:

Ralph Anderson
Myron Ashcraft
Zane Brown
David Stringer
Mark Wagoner

Mr. Albright provided information regarding the scope of the proposed project:

WPAFB proposes to utilize the \$500K OMFC Grant to support the Springfield Street project operated by the City of Riverside. The project will provide improvements by making access to the installation and NMUSAF safer and more efficient. Reducing the number of travel lanes will have a traffic calming effect and promote slower/safer speeds in line with the posted speed limit on Springfield Street. The addition of a center turn lane will eliminate traffic weaving to avoid vehicles stopping in a through lane to turn left, and reduce the potential for accidents. Bicycle lanes will promote safe transit for cyclists commuting to WPAFB and NMUSAF.

Commissioner Brown inquired about the scope of the project falling within the purview of the OMFC.

Dale Vitale, legal counsel to the OMFC from the Ohio Attorney General's office indicated that the East Springfield Street project is both on and off WPAFB and would be suitable for the OMFC's consideration.

Chair Wagoner inquired about the delay from WPAFB in the submission of the project.

Ashley Sadorra, Acquisition Program Manager from WPAFB explained that the process to accept gifts by the USAF is a slow approval process.
