Tutor.com for U.S. Military Families is a DoD-funded program that allows eligible students in U.S. military families to connect to a live tutor online at any time for one-to-one help with homework, studying, test prep, proofreading and more.

The service is available at no charge to all grades K-12 students and some adults in Active Duty, National Guard and Reserve families.

Follow this link:
http://military.tutor.com/home

Then, click your family’s branch of service at the top to determine your eligibility and to create an account.

Around the Clock Help

Students worldwide can connect to a tutor from any internet-enabled device, including smartphones and tablets 24 hours a day, seven days a week. Tutors are available every day of the year except January 1, July 4, U.S. Thanksgiving Day and December 25. On those four annual holidays, Tutor.com tutors are unavailable for 24 hours starting at 2:00 a.m. the day of the holiday (U.S. Eastern Time).

All Core Subjects, All Skill Levels

Students can get personalized help in 40 Math, Science, Social Studies, English and World Language subjects, including Algebra, Statistics, Biology, Essay Writing, Spanish, German and French. Tutors can also help students prepare for the SAT, ACT or other standardized tests. Native Spanish speakers are also able to work with Science, Math and Social Studies tutors in their native language.

Expert Tutors You Can Trust

Each of our more than 3,100 tutors is a carefully screened subject matter expert who must complete a rigorous application process and background check. Our tutors include certified teachers, college professors, graduate students, select undergraduate students from accredited universities and other professionals.

Safe, Anonymous Learning Environment

Every tutoring session is anonymous, and takes place in a secure online classroom. No personal information is shared between the tutor and the student.
Troop and Family Camps

Troop & Family Camps are designed for the whole family to spend a fun-filled weekend together strengthening ties and building camaraderie with other military families. Be sure to check the specific details for each camp on our website, as each camp has different activities, then pick the camp that best suits your family. Who defines your family? You do. Each camp will provide a unique experience. Activities that may be available at your selected camp are: waterskiing, sailing, kayaking, bike riding, family games, crafts, campfires, high ropes, zip line, canoeing, hiking, basketball, archery, fishing, and more. $75.00 per family for first 4 people then $10 per additional person.

When it comes to building community, Ohio National Guard units provide a unique challenge to Family Readiness Groups (FRGs), because unit members are spread out all over the state. This is where you, the family member or FRG Leader, can step up and volunteer or help recruit volunteers. Volunteering gives family members an opportunity to share their talents and spend time with other military families. Contact your Brigade (BDE) Family Readiness Support Assistant (FRSA) to get started. Volunteering can be very rewarding and a boost to your resume through the skills and training one develops, as well as the hours spent volunteering for your FRG. (see page 11 to view your BDE FRSA’s contact information)

Going Back to School

It is that time of the year and school is just around the corner. Make your life (and your children’s lives) easier by purposely planning their return to school and a routine. Here are a few tips:

- Plan daily activities. Let your child pick out clothes for the next day, pack lunches, etc.
- Re-establish bedtime and mealtime routines. Remember to wake them up on a normal schedule as well.
- Encourage activities that inspire learning. Limit their use of technology and start with activities your child already likes to do. Encourage your child to read, do puzzles or complete an art project to reinforce a learning mindset.
- Take a school visit and discuss the first day. Participate in orientation if your school has one or ask to visit the school before the summer ends to find classrooms, practice locker combinations, etc. A familiar environment can help children be less apprehensive about their first day.
- Emphasize the positive things about going back to school. A new school year is a chance to reconnect with old friends and get involved with sports and other activities. For students attending a school for the first time, it’s an opportunity to meet new people and try different things. If your child seems nervous, listen to those concerns and address them in a constructive way.

Once classes have started be sure to build a relationship with their teachers and school. Trade contact information with their teachers and get involved in the classroom. Offer positive feedback. If your child needs extra help in a certain area ask your local library for a tutoring program. Many libraries offer them and they are usually free.

If your child has special needs remember Military OneSource Special Needs consultations. Check out this four minute recorded webinar [http://www.militaryonesource.mil/social/webinar-archives?program=efmp|content_id=280828]

Going back to school is not just for children. If you are a service member or spouse thinking about going back to school or changing careers do not forget about Military OneSource. Use Military OneSource’s EAP site to help you find scholarships. The Spouse Education and Career Opportunities website is able to assist spouses search for more scholarships, import your LinkedIn profile, conduct market research on your chosen career field, etc.

Troop and Family Assistance Centers (TFAC)

The acronym TFAC stands for Troop & Family Assistance Center. In Ohio there are 11 offices, staffed with TFAC specialists. We are a part of the Family Readiness & Warrior Support program of the Ohio National Guard. These centers provide direct support to all past/present service members, their families, serving all in any branch of the military. The main purpose of the TFAC office is to provide assistance and/or resources relating to crisis intervention, legal, financial, TRICARE, ID Cards/DEERS, community information to any service member, military family, or veteran. Assistance can be sought by a family/service member before, during, and after a deployment, or whenever there is a need.

The TFAC offices work with county agencies, organizations, or individuals who support the military in specific regions. For example, if a service/family member is having an issue paying the rent/mortgage, we review their eligibility for any program that is available and help them apply for assistance when and if applicable. By working together, we can get assistance to the service member quickly and accurately. Accordingly, they would contact the TFAC that is closest to where you live, not necessarily where your service member drills.

Besides assisting the service member, our goal is to raise awareness of military and civilian support networks in our local community. By recognizing the issues our military and their families face today, we can work together to provide and recommend the appropriate services for each individual. TFACs can assist FRGs with guest speakers for their meetings, or you can request a TFAC to attend your meeting and brief your families on potential resources.

YOUR TROOP AND FAMILY ASSISTANCE CENTER SPECIALIST (TFACS)

Get to know your TFAC Staff where we are as varied and diverse as the State Itself. Stop by or call your local office, we are here for you!

Region 1 (Northeast) is a very diverse region with large metropolitan areas as well as a lot of rural counties. We have the Browns, the Cavs, the Indians, and the Pro Football Hall of Fame and of course LAKE EFFECT SNOW!

Joyce Stingel is the Northern Ohio Lead TFAC and has worked at the North Canton TFAC office since April 2007. Joyce was born and raised in Region 1, Tuscarawas County. Graduated from Kent State University, moved around with her active Army husband and then moved back home to Tuscarawas County and the Ohio National Guard. She is married to CSM Jon Stingel and has three children, two dogs, a cat, a goat, 7 chickens and 2 calves.

Rita Stahl has worked in the North Canton TFAC office since January 2011. Born in Akron, Rita has spent most of her life in Northeast Ohio, after finishing school in Connecticut. Rita is married to Chris Stahl, who retired from the military after 22 years. Rita’s daughter, Darcie, and husband deployed to Iraq in 2004 with the 1484th for 13 months.

Region 2 (Southeast) is the most rural region in the state and is in the foothills of the Appalachian Mountains bordering Kentucky, West Virginia and Pennsylvania to the south and east. Much of the region boasts beautiful forests to include Shawnee State Forest and Wayne National Forest. Winding roads, rolling hills, rivers and creeks, plus some of the best food in the Midwest - it can all be found in Ohio’s Appalachian Country! Did I hear somebody say soup beans and cornbread?

Jennifer Moore is the Southern Ohio Lead TFAC and has worked in the Portsmouth and Chillicothe TFAC offices for over a decade. She earned her degree at Shawnee State University in Portsmouth Ohio. Jennifer is the daughter of a WWI veteran and the wife of a Gulf and Iraq war veteran and has also been blessed with a daughter and three grandchildren. She and her hubby live on 28 acres in rural southern Ohio where they garden, raise a few chickens, and enjoy the simple life.

Brian Giesey has worked in the McConnelsville TFAC position since June 2015. He enlisted into the Ohio Army National Guard after graduating from Cambridge High School in July 1990. Retired from OHARNG after 25 years of service, 20 years as an AGR. Brian is a veteran of Operation Iraqi Freedom (2003-2004) and Operation Clear Skies (2011-2012). He is married to his extremely supportive wife April. They have 4 children: Cheyenne, Savannah, Laramie and Liberty.
**Region 3** (Southwest) is most known for being the home of the Cincinnati Bengals, and the Cincinnati Reds. Most of Region 3 consists of large cities, and suburbs, however it does have its rural farm counties as well.

*Mandy Humerick,* is the TFAC for Region 3 (Southwest, Ohio). She is the wife of SSG Nathanael Humerick Support Company 216 EN BN OHARNG, and the mother to five beautiful children. Prior to starting her position with Troop and Family Assistance, she worked as the FRG Treasurer for the 637th Chemical Company, which recently allowed her the honor of receiving the Ohio Accommodation Medal. Mandy is dedicated to providing support and resources to the brave men and women (past, present, and future) that stood ready to serve our great nation.

**Region 4** (West Central) Affectionately deemed the Miami Valley, Region 4 lies within the Greater Dayton region assisting Military Families and Service members working and living in Dayton, Kettering, Springfield on up 75N to Wapakoneta, St. Marys, and Celina in the outlying areas to name a few. This area has a strong Military presence housing Wright Patterson Air Force Base alongside many Army National Guard Armories and Reserve Units.

*Ashten Houseman,* Region 4 Troop and Family Assistance Center Specialist (TFACS) in Springfield. Ashten is a great-granddaughter of a WW II Veteran and has a long family history of Armed Services. Mrs. Houseman has been happily married to her husband Jared for over 9 years and they have three children together. She has enjoyed her time as a TFAC since February of 2013, and looks forward to continued service in this role. What brings the most enjoyment about this position is engaging with community leaders and having the pleasure to link groups, organizations, and individuals with the Military Families and Service Members those groups so eagerly seek to support within West Central Ohio.

*Phyllis Miller* is a Region 4 TFACS, based at the Leo. M. Kreber Armory in Kettering, OH. She’s a proud military (veteran) spouse, mom to a son and daughter and grandmother to two with one on the way! She is truly grateful for the position she holds. Not only is she “serving” in her own way, she gets to help those who protect us daily and those who have sacrificed over the years to help maintain our freedoms and way of life. She knows that she is not alone in that sentiment, which makes partnering with those organizations who support our military members and their families such a joy.

**Region 5** (Northwest) is comprised of 22 counties in Northwest Ohio. We have three (3) TFAC’s who are ready, willing and able to assist you with your questions, concerns and needs. Our region is home to 14 National Guard units, 2 Air Wings, a training facility at Camp Perry, Army Reserve units, Coast Guard, Navy Reserve and Marine reserve units.

*Margret Szymanski* was a former FRG Leader for her husband’s units and accepted a position as a TFAC in October 2007. She is the spouse of a retired combat veteran (Infantry) and the mother of three boys, one of whom is also an active duty Army soldier (Air Defense Artillery). She has an appreciation and commitment for all who have worn the uniform, and is dedicated and devoted to ensuring the best resources are available for any service members, veterans and their families anytime there is a need.
Patricia Markowski is a TFAC and has been married for 22 years to Robert Markowski a Soldier of 22 years. She has three children and her oldest is now in the Army. She has been a TFAC for 4 years now and have found her passion in life which is helping others be all they can be.

Tabitha Hoke-Mujihad is one of the newest members of the TFAC group having come on board in May 2015. She was born and raised in the Richland county area. Tabitha is a Navy veteran and the daughter of an Air Force veteran. Her brother is also a Chief Warrant Officer in the Army. She earned her degree from Mount Vernon Nazarene University in Mount Vernon, Ohio. Having extensive experience with working with military personnel and families, she is honored to be working closely with the military once again. Tabitha is married with four children and a dog.

Region 6 (Central) Columbus Ohio is the 15th largest city in the United States and the home base of Region 6. We are home to "The Ohio State University" and "The Champion Ohio State University Buckeyes Football Team." Need I say more?? The Columbus Zoo and Aquarium is the #1 zoo in the country And COSI is the #1 science center!! We proudly serve Central Ohio Military Families including Franklin, Delaware, Union, Madison, Licking, and Knox Counties!!!

Heather Smith lives in Reynoldsburg Ohio. She is the mother of three children, Aliyah, a sophomore at Capital University. Jonah, a senior at Reynoldsburg High School, and Myah who is 7 years old. She was a nurse for several years but changed careers in 2012 and came to work for Family Readiness and Warrior Support. She has been a TFAC for 3 years in Region 6 and is located at Rickenbacker/73rd Troop Command. She comes from a long line of Service Members and loves being able to give back to those who have sacrificed so much. Outside of work, she enjoys spending time with her kids and her 15 year old dog Bailey Sue. She loves to read, bookstores are her weakness!! She says, “I am a big nerd at heart!”.

Cory Schleyer is a TFAC in Central Ohio since May, 2015. This is a career that gives him a lot of satisfaction, considering the fact that he is in the Air National Guard himself. He loves the fact that he gets to experience military life from both sides of the fence. He and his wife have been married for nearly two years (and have been together for 9 1/2), they have two four legged kids (our dog Lilly and our cat that thinks he is a dog... his name is Truman) and are expecting their first human child February of 2016. He is excited to grow as a person and learn as much as possible to help service members, veterans and their families when they really need help the most.
