AREA OF CONSIDERATION: Open to all applicants eligible to become members of the Ohio ANG	
For FSS Use Only: ETP Approval Date: <input type="checkbox"/> n/a	

DUTIES:

Provides current analysis and predictive environmental intelligence as well as timely knowledge of the effects of those physical environmental factors on friendly and adversary joint capabilities across the range of military operations. This is accomplished through the operations processes of collection, processing, analysis, prediction, tailoring, dissemination, integration, and mitigation. Manage AF weather personnel and resources. Analyze and evaluate environmental data and prepare forecast products. Integrate weather analyses and reports with radar and satellite imagery interpretations to support operations. Brief aircrew and staff personnel on current and future environmental conditions, weather and their effects on air, ground and space operations. Instruct personnel on interpretation and use of geosciences products and their application to DoD missions. Provide weather warnings, watches, and advisories for mission-limiting environmental effects for designated military installations. Provide mission tailored forecasts for special and joint operations. Direct taking, recording, reporting, and decoding of meteorological, space weather, and other geosciences observations, analysis of data, preparation of forecasts and other prognostic products and use of meteorological equipment. Produce and direct studies to improve forecasting techniques and abilities. Advise commanders and their staffs on capabilities and limitations of weather operations. Provide technical meteorological services. Prepare and direct weather resources to support operational objectives. Write directives on operational techniques and procedures to observe, analyze, and forecast meteorological, solar, astrophysical and geophysical phenomena. Direct and prepare studies and reports to evaluate weather support requirements.

EVALUATION PROCESS:

Evaluation will be based on the information provided and meeting a selection board, date to be determined.

MANDATORY REQUIREMENTS:

Applicants must have minimum 15W1 AFSC, or possess a degree eligible for commissioning in the 15W career field (See the AFOCD for degree requirements: https://mypers.af.mil/app/answers/detail/a_id/23271). Must be eligible or possess security clearance level of SCI or higher. Will be required to complete Army Weather Support Course (AWSC) and Evasion and Conduct After Capture (ECAC) courses.

APPLICATION MUST CONTAIN:

OHANG Form 2, *Application for E-6 to O-5 Vacancies*

MyFitness Report with passing score (available via AF Portal)
