

1st Sgt. Paul Hasman

Battery C, 1st Battalion, 134th Field Artillery Regiment ~ Marysville

Hasman, who grew up in and still resides in Cuyahoga County, said joining the Ohio National Guard gave him a way to continue to pay for college and also travel the world. Hasman used to be a pizza chain franchisee, but recently sold his restaurant and is currently employed as a security guard. During the COVID-19 pandemic, Hasman is providing food packaging and distribution support to the Mid-Ohio Foodbank in Grove City, Ohio. He said the most rewarding part of supporting the food bank mission is “helping out the unfortunate who have been impacted by this pandemic.”

Ohioans serving Ohioans

Ohio National Guard Soldiers and Airmen are members of your community. They are local students, teachers, law enforcement, retail workers, business owners, your co-workers, family, friends and neighbors. When the Ohio National Guard responds to an emergency or natural disaster, it's Ohioans serving Ohioans right in their own communities. In this series, meet some of the front-line heroes serving during the current COVID-19 relief efforts, as well as a few of our members who've supported past humanitarian missions.
