

Pfc. Cameron Lawyer

Battery C, 1st Battalion, 134th Field Artillery Regiment ~ Marysville

Lawyer grew up in Lucas County and joined the National Guard to be closer to his family and still protect them while he served. "I work for FedEx Ground, so this health crisis has fortunately, not affected my employment." He says his goal for next year is to attend the police academy. "Since being activated to assist at the food bank, it has gotten me closer to my battle buddies. But more than that, seeing the expression on the people's faces and talking to people who care about others....that's priceless."

Pfc. Cameron Lawyer is supporting food packaging and distribution operations at the Mid-Ohio Foodbank in Grove City, Ohio during the COVID-19 pandemic.

Ohioans serving Ohioans

Ohio National Guard Soldiers and Airmen are members of your community. They are local students, teachers, law enforcement, retail workers, business owners, your co-workers, family, friends and neighbors. When the Ohio National Guard responds to an emergency or natural disaster, it's Ohioans serving Ohioans right in their own communities. In this series, meet some of the front-line heroes serving during the current COVID-19 relief efforts, as well as a few of our members who've supported past humanitarian missions.
