# 196TH PUBLIC AFFAIRS DETACHMENT

The 196th Public Affairs Detachment was organized on February 1, 1972 in the Ohio Army National Guard at Maj. Gen. Robert S. Beightler Armory in Worthington. In 1977, public information detachments were redesignated as public affairs detachments.

In 1998, the detachment saw its first period of federal service when it was mobilized to Bosnia as part of the NATO-led Stabilization Force (SFOR) in support of the Operation Joint Forge peacekeeping mission. Nine members of the unit, along with a nine-member element from its detachment in West Virginia, provided communications support for Task Force Eagle during the eight months they were deployed.

In February 2004, the detachment was mobilized in support of Operation Iraqi Freedom and deployed to Iraq to support the 1st Infantry Division. The detachment was awarded the Meritorious Unit Commendation (MUC) for the period February 18, 2004 to February 1, 2005 for its support of the Big Red One.

The detachment returned to Iraq in 2010 in support of the 13th and 103d Sustainment Commands and United States Division-Center during the final months of Operation Iraqi Freedom and New Dawn. The detachment received a second MUC for its meritorious service during this mobilization.

Most recently, eight Soldiers from the detachment were deployed to support U.S. European Command across Europe. The Soldiers returned to Ohio in early 2022.
