NATIONAL GUARD NOTES

- A QUARTERLY MAILER PUBLISHED BY YOUR OHIO NATIONAL GUARD

JANUARY 2010

NUMBER 5

YOUR OHIO NATIONAL GUARD IS MAKING STRIDES IN GREEN DEVELOPMENT TO BETTER SERVE YOU:

The Ohio National Guard maintains 9.1 million square feet of space on more than 22,740 acres throughout Ohio.

More than \$162 million in federally supported construction is ongoing throughout Ohio at National Guard bases including Toledo, Port Clinton, Mansfield, Springfield, Columbus, Newton Falls and Zanesville.

The average age of Ohio Army National Guard facilities is 44 years. Since 2000, we have constructed seven new readiness centers that support force and equipment modernization. Nine other centers exceed the Department of Defense's 67-year replacement standard. Within the next 25 years, we plan to replace and consolidate from 52 to 40 readiness centers.

Multiuse facilities promote cost efficiency, interoperability between military services and overall readiness for the communities we serve. Both the cost and use of Training and Community Centers in Bowling Green, Marysville and Woodlawn are shared with their communities. To sustain readiness, we construct energy efficient, green facilities.
