Notice of Ohio Military Facilities Commission meeting

COLUMBUS, Ohio — The Ohio Military Facilities Commission (OMFC) will hold a virtual meeting on Monday, Nov. 16, 2020, at 12 p.m.

The commission members will consider a proposal from Wright Patterson Air Force Base to utilize its \$500,000 appropriation approved by the Ohio General Assembly. The proposal, in coordination with the city of Riverside, Ohio, will provide improvements to Springfield St. to make access to the installation and the National Museum of the U.S. Air Force safer and more efficient.

The Ohio General Assembly in June 2015 authorized the creation of the OMFC and appropriated state funding for the purpose of developing and implementing a program to assist military and defense installations and/or defense entities in the financing of infrastructure capital improvements. The nine-member panel consists of appointments by the governor, the Senate president and the speaker of the Ohio House.
